

Material Safety Data Sheet

Metallic markers

_	"Since	1705"	-
	June	1199	

1. Chemical product	and Company Identification		
Company Identification	Dixon Ticonderoga Company 195 International Parkway Heathrow, FL 32746-5036 Telephone: 800-824-9430	Date prepared: Last revised: Emergency call:	November16, 2006August24, 2007800-824-9430
Product Name	Metallic markers		
Product Code(s)	80597, 80598		
2. Composition/Infor Component	<i>mation On Ingredients</i> CAS Reg. No	Percent Weight	
are certified in a program	ertified Products or AP Approved Products seal of toxicological evaluation by a medical expert, n no materials in sufficient quantities to be toxic Conforms to ASTM D-4236	subject to review by the Institute	's Toxicological
This product is not conside Standard (29 CFR 1910.12	ered to be a hazardous substance as defined und 200)	er OSHA's Hazard Communication	on
3. Hazards Identifica	tion		
Emergency Overview	Not an acute hazard- conforms to ASTM D-42	236	

4. First Aid Measures

CAUTION!

Eye Contact	Flush eyes large amounts of water for at least fifteen minutes. Contact physician
Skin Contact	Wash skin with soap and water. Seek medical attention in the unlikely event that irritation occurs
Ingestion	Unlikely to be toxic by ingestion, but seek medical attention
Inhalation	If symptomatic, move to fresh air and seek medical attention

Packaging may be subject to ignition by fire and may release toxic or other irritating gases

5. Fire Fighting Measures

Extinguishing Media Carbon dioxide, dry chemical or foam recommended. Apply water to cool exposed closed containers **Special Fire Fighting Procedures** Self contained breathing apparatus (SCBA) and full protective equipment recommended **Unusual Fire and Explosion Hazards** Packaging may be subject to ignition by fire and may release toxic gases

Flammability Data			
Flash Point	No data	HMIS Rat	ings
Flammability limits	No data	Health	1
Auto-ignition temperature	No data	Flammability	1
Dust cloud ignition temperature	No data	Reactivity	0
Dust layer ignition temperature	No data	Protective Equipment	Α

6. Accidental Release Measures

Small spill

Sweep or wipe up material. Place spilled material into appropriate waste containers for disposal

Large snill

Large spill	Sweep or wipe up material. Place spilled material into appropriate waste containers for disposal
7. Handling an	d Storage
Handling	Contents will stain. The use of smocks and gloves to protect personal clothing is suggested. Wash hands and surface after use.
Storing	Do not store near heat or open flame

		Nateri	ial Safety Data Sheet	Page 2/2
8. Exposure Controls	/Personal Protection	on		
Engineering Controls	The use of local venti	lation is recommende	ed	
Personal protection	No special skin protection is reco	-	skin if irritation is experie	enced.
9. Physical and Chen	nical Properties			
Physical State	Solid			
Appearance	Ink filled plastic barro	eled fiber tip marker		
Color	Various colors			
Odor	No odor			
pH	No data			
Specific gravity	No data			
Boiling point	No data			
Freezing/melting point	No data			
Evaporation rate	No data			
Solubility Vonen Density	No data			
Vapor Density	No data			
10. Stability and Read	ctivity			
General	This product is stable	and hazardous polyn	nerization will not occur	
Incompatibility	None known			
Hazardous decompositio	n As with all burning of	rganic matter, carbon	monoxide and other toxic	fumes may be released
11. Toxicological Inf	ormation
