

Sanford Corporation  
2711 Washington Boulevard  
Bellwood, IL 60104

Telephone Number: 1-800-323-0749  
Initiated By: Susan Nyborg  
Date of Last Revision: June 1, 2001  
Medical Emergency No: 1-800-228-5635

**Section One: Product Identification**

Product Name                      Liquid Paper Dryline™ Correction Films  
Colors:                                      White

Includes: Liquid Paper Correction Film Non Refillable Dispenser, Liquid Paper Dryline™ Corrector Film, Liquid Paper Dryline™ Correction Film Grip, Liquid Paper Dryline™ Mini Correction Film, Liquid Paper AutoCorrect Correction Film, Liquid Paper Dryline™ Refillable Correction Film and Refills

**Section Two: Composition**

Titanium dioxide (13463-67-7), polymers, resins, adhesives

**Section Three: Physical and Chemical Characteristics**

**For product unless otherwise indicated:**

Boiling Point:                              Not available  
Vapor Pressure (mm Hg):                Not available  
Specific Gravity:                            Not available  
Solubility in Water:                        Not available  
Appearance and Odor:                    White film; no odor  
Evaporation Rate:                         Not available

**Section Four: Fire and Explosion Hazard Data**

Flash Point (Method Used):              Not available  
Flammability Limits (% by volume):    Lower:        Not available                      Upper:        Not available  
Extinguishing Medium:                    Carbon dioxide, foam, dry chemical  
Special Fire Fighting Procedures:        Not applicable  
Unusual Fire and Explosion Hazards:    None

OfficeWorld.com does not independently verify, and accordingly does not warrant, the accuracy of any information contained in this MSDS.

### Section Five: Reactivity Data

Stability:	Stable
Conditions to Avoid:	None known
Chemical Incompatibility:	None known
Hazardous Decomposition:	None known
Hazardous Polymerization:	Will not occur.

### Section Six: Health Hazard Data

Chemicals Listed as Carcinogens or Potential Carcinogen:

IARC Monographs:	No
National Toxicology Program:	No
OSHA Regulated:	No

Routes of entry: Inhalation - None under normal use conditions. Skin - None under normal use conditions. Eye - None under normal use conditions. Ingestion - Consult a physician.

### Section Seven: Precautions for Safe Handling and Use

Steps to Be Taken in Case Material Is Released or Spill:	Normal clean up.
Waste Disposal Method:	Discard in accordance with Federal, State, and Local Regulations.
Precautions to Be Taken in Handling and Storage:	None
Other Precautions:	None

### Section Eight: Personal Protection and Exposure Control Measures

Eye Protection:	None under normal use conditions.
Skin Protection:	None under normal use conditions.
Respiratory Protection:	None under normal use conditions.
Ventilation:	None under normal use conditions.
Protective Clothing:	None under normal use conditions.

HMIS Code	
Health	0
Flammability	0
Reactivity	0
Personal Protection	N/A

0 = Minimal / 4 = Severe Hazard

Sanford Corporation has been advised by council that the OSHA Hazard Communication Standard does not apply to the Sanford product described in this MSDS. The reason for the exemption is contained in 29 CFR 1910.1200 (b)(6)(ix), as amended July 1, 1994, per the Code of Federal Regulations. The information contained in this MSDS is forwarded to you for your information, but is not meant to imply that the product is covered by the Hazard Communication Standard, nor is the MSDS meant to comply with all the requirements of the Hazard Communication Standard.
