A FinePix HS35EXR Digital Camera

The HS35EXR offers a high performance large 1/2" 16MP EXR CMOS sensor for exceptional image quality, a 3" tilting LCD screen plus electronic viewfinder and a 30x optical zoom ranging from a wide-angle 24mm to a telephoto 720mm lens.

But the zoom does not stop there—with intelligent digital zoom, the focal length is effectively doubled to 1440mm or an incredible 60x with absolutely stunning results. Equipped with advanced manual control, full HD movie mode, high-speed continuous shooting, high-speed autofocus and a host of automatic settings like face detection with red eye removal, auto scene recognition, variety of preprogrammed scene modes, advanced creative filters for fun, pro focus and pro low light modes, motion panorama and so much more. The HS35EXR is ready for anything from the simplest auto photo capture to the most advanced applications. Lithium-ion NP-126 battery with charger, shoulder strap, USB cable, lens cap with lens cap cord, lens hood and owner's manual CD-ROM. Manufacturer's limited one-year warranty.

B FinePix SL1000 Digital Camera Bundle

The FinePix SL1000 is ideal for those people who do not want the hassle of changing lenses or to worry about getting dust on the sensor, but who

still want a powerful camera. It is equipped with a 50x Fujinon wide-angle 24mm to telephoto 1200mm optical zoom lens for capturing landscapes to close-up in detail. But the zoom does not stop there—with Intelligent Digital Zoom, the focal length is effectively doubled to 2400mm or an incredible 100x with absolutely stunning results. The 16MP BSI CMOS sensor with optical image stabilization delivers sharp, exceptional quality images. Not only can it take superb shots but it can record movies in full HD and will allow your creative juices to flow with the advanced creative filters and 3D shooting. It features a 3" tilting LCD plus electronic viewfinder, auto scene recognition and face detection with red-eye removal. Features various preprogrammed scenes and high speed continuous shooting. Gadget bag, 8GB SDHC memory card, lithium-ion battery with charger, plug adapter, lens cap with lens cap cord, shoulder strap, USB cable and owner's manual CD-ROM. Manufacturer's limited one-year warranty.
