

A Coin Totes Strong and efficient poly coin bags designed with tamper-evident adhesive closure. Resistant to oil, water and tough abuse. Secure one step closure system is fast and easy to use. Unique alphanumeric system and high resolution bar code. Tear-off customer and processor receipts. Special multi-layer polyethylene film is stronger than canvas and other plastics. Treated with antimicrobial agent to protect envelope from growth of bacteria, mold, mildew, fungus and odors.

3	QUA-45228	10" x 13"	White	100	PK 137.78
4	QUA-45224	8½" x 10½"	White	100	PK 110.02

C Clear Cash Transmittal Bags Valuable contents are protected by tamper-evident Redi-Strip™ closure. Poly with printed information block to record register number, currency and personnel.

ID No.	W x H	Color	Qty.	Unit	Price
5	QUA-45220	6" x 9"	Clear	100	PK 62.06

D Tamper-Evident Deposit Bags Great for night drop deposits to your bank. Barcodes and sequential numbers individualize your deposits. Tear-off receipts help you track each deposit. Features easy to write-on surface. Physical attacks cause a "STOP" message to appear in closure. Thermochromic ink on the closure detects any entry into the bag with heat. Water or solvent attacks distort green ink by disappearing or smearing. Treated with antimicrobial agent to protect envelope from growth of bacteria, mold, mildew, fungus and odors.
